## PRODUCT DESCRIPTION

### Livington SmartCHILL - the mini-tower with cooling power

Enjoy your pleasantly chilled feel-good zone with the **Livington SmartCHILL**, the first mobile air cooler mini-tower. Strong cooling performance - Provides refreshing cooling of your environment through the evaporation of pure water. The cooled, humidified air is distributed quickly, evenly and gently. With the practical swivel function, cooled air is evenly distributed around you for an even greater cooling effect. With the 3 speed and cooling levels, as well as the integrated LED night light, it creates the perfect feel-good atmosphere in any location. Whether in the office, playroom or bedroom, the **Livington SmartCHILL** is pleasantly quiet in its work. Mobile and independent - plug in and enjoy refreshing cool air. The special Smart Filter is easy to change and even washable. Your **Livington SmartCHILL** will prove an indispensable companion during the summer months - just exchange the filter ready for next season. Of course, the filters are available to purchase separately.
